

Why drive with Destination Rally ?

Destination Rally organizes and operates Classic & Vintage Car Rallies all over the world. We pride ourselves on organizing « DISCOVERY » rallies, giving the participants time to enjoy the wonderful landscapes, the culture of the land and interacting with the locals while driving their classic car. No racing or regularity! We carefully choose the most scenic roads away from the crowds and work with the local government in order to visit places that might not be allowed to regular foreigners. We pride ourselves in offering the best, most efficient and secure service on the road, before and after the rally. We offer the knowledge of the places we visit and we do it in style.
